Patnode 1-2: Please list the person(s) that make operating and management decisions for Merrimack County Telephone Company ("MCT"), for Wilton Telephone Company, Inc. ("WTC"), for Kearsarge Telephone, Inc. ("KTC") and Hollis Telephone Company, Inc. ("HTC").

Response:

TDS is a multilevel, multidepartmental company that utilizes a wide range of management and therefore varies in how management decisions are made. It would be difficult to list all the management decision makers for each of the companies as it could range from the President and CEO of TDS Telecom to the State Government Affairs Manager for some NH regulatory decisions, to the local Field Services Manager located in Contoocook.

Michael C. Reed is responsible for this response.
