Re: PUC 2505.02 Application Requirements

Dear Ms. Howland,

As per the requirements set forth in the New Hampshire Electric Renewable Portfolio Standard (PUC 2500), Lempster Wind LLC respectfully submits for your review this application for the qualification of the facility as a Class I Source. Please find included in this application package, 1 original and 7 copies of the "Sample Application Form for Renewable Energy Source Eligibility" as well as the relevant exhibits and appendices.

I would like to thank you in advance for your consideration of this application and please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter Toomey", with a long horizontal flourish extending to the right.
