RE: Permit Account No. 41220  
Sheldon Energy LLC, Town of Sheldon, Wyoming County

Dear Mr. Paulsen,

I have just received the signed and approved Form 75m, Permit for Use of State-Owned Property for Sheldon Energy's Permit Account No. 41220. I have enclosed an original copy of the permit for you to retain for your records.

I am also sending a copy of this permit to Sue Erdle at the Wyoming County residency so that the bond for your Highway Work Permit may be released.

If you have any questions, please feel free to contact me at (585) 272-4849 or [jstankewich@dot.state.ny.us](mailto:jstankewich@dot.state.ny.us).

Very truly yours,

A handwritten signature in black ink, appearing to read "Jillian J. Stankewich", written over a horizontal line.

THIS PERMIT, made this x 21st day of x November, 20x08 between

Sheldon Energy, LLC  
One South Walker Drive, Suite 200  
Chicago, IL 60606

hereinafter referred to as "Permittee", and the COMMISSIONER OF TRANSPORTATION FOR THE PEOPLE OF THE STATE OF NEW YORK, hereinafter referred to as "the State",

WITNESSETH:

WHEREAS the State is the owner of the above identified property, hereinafter referred to as "property" or "premises; and

WHEREAS the Permittee wishes to use and occupy said property;

NOW, THEREFORE, the State hereby grants this permit to the Permittee, subject to the following covenants and conditions:

1. The property covered by this permit shall be used only for the purpose of: Occupy occupy a total of 7,692+ SF of Highway ROW (see Schedule A) for the purpose of underground utility crossings for windpark electrical collection system (see Schedule A).

and for no other purpose whatsoever.

2. The fee to be charged shall be: \$600.00 per year beginning 12/01/2008

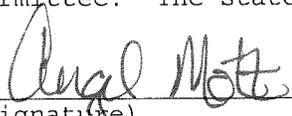

3. Payment of fee is due on the first of the month unless otherwise stated. Fee must be paid by check, bank cashier's check or money order payable to "Department of Transportation" and mailed or delivered to:

New York State Department of Transportation  
Revenue Unit, POD 52  
50 Wolf Road  
Albany, New York 12232

4. The Permittee understands and agrees that if the full amount of the fee as stated herein is not paid within thirty days from the date billed as indicated on the billing invoice, interest penalties and collection fees will be imposed under the provisions of Chapter 55 of the Laws of 1992.

5. The Permittee understands and agrees that the fee charged by the State may periodically be updated to reflect fair market value and the Permittee will enter into a new permit for the new fee if the Permittee wishes to remain in occupancy. Failure to execute a new permit will require Permittee to immediately vacate the premises.

6. The Permittee acknowledges the State's right to collect a security deposit. This sum will be retained as security to ensure faithful performance of the permit and compliance with all terms by the Permittee. The state hereby acknowledges receipt of \$600.00 recieved on 2/23/09

by:   
(Dept. Rep.'s Signature)

7. This permit supersedes the permit number N/A issued to NA in the amount of \$ NA per NA approved by the Director, Office of Real Estate on NA

8. Permittee, at the Permittee's expense and for the term of the permit, shall furnish and show evidence of General Liability Insurance coverage issued by an insurance carrier licensed to do business in the State of New York for the protection of the State of New York and Permittee against any claims, suits, demands or judgments by reason of bodily injury, including death, and for any claims resulting in property damage occurring on or in proximity to the permit area.

Such General Liability Insurance shall be in the amount no less than (combined property damage and/or bodily injury, including death) single limit per occurrence, and shall name the People of the State of New York as an additional insured.

The Permittee will furnish the State with a certificate of insurance, with a (30) thirty day(s) prior written notice of any cancellation or major change in the policy conditions. The permit shall be voided if insurance is canceled, modified or lapses.

Approval of this permit shall be contingent upon receipt, by the State, of a copy of a properly executed insurance certificate.

9. Permittee is responsible for any repairs, improvements or maintenance work of any kind on the property at Permittee's expense. The State may, at any time, periodically inspect the premises to determine whether same is in good repair and maintenance, structurally sound, and that no unsafe, hazardous, unsanitary, or defective conditions exist.

10. Permittee hereby agrees to admit State representatives and prospective purchasers or permittees to examine these premises during reasonable business hours.

11. Permittee shall not place or store, or allow others to place or store, any flammable, explosive hazardous, toxic or corrosive materials, debris of any description, garbage or any materials commonly referred to as "junk" within the permit area, except fuel kept in the fuel tanks of legally parked vehicles allowed under the terms of this permit. Failure to comply with this provision may result in a ten (10) days written notice of cancellation of the permit in accordance with Provision 16 of the permit. The permittee is responsible for the removal of these materials and/or all expenses incurred in their removal.

12. All arrangements of services for utilities, removal of garbage, rubbish, litter, snow and ice will be made by the Permittee at the Permittee's expense, unless hereafter specified. The State shall have no responsibility to provide any services not specifically set forth in writing herein. Permittee shall comply with all local and State building standards/codes in the installation or repair of any utilities including but not limited to electricity and plumbing. Permittee is responsible for keeping and maintaining the premises in a safe and clean condition, for the regular and prompt removal of garbage, rubbish, litter, snow and ice. Permittee shall be responsible for preventing damages to the plumbing system and premises caused by lack of heat or water damage from leaks.

13. Permittee is responsible to maintain the occupancy in compliance with any and all applicable local, State, and Federal laws, ordinances, codes, rules and regulations affecting the use of the property. Permittee shall not conduct or allow any use or activity on the premises inconsistent with law and shall not conduct or allow any use or activity on the premises which may require a permit or other approval by a government agency without having lawfully obtained such permit or approval.

14. The parties acknowledge that this instrument is not a lease but is merely a permit to occupy and use, and therefore a landlord-tenant relationship is not hereby created; and further, that since this is not a lease, Section 5-321 of the General Obligations Law does not apply to this permit to the extent permitted by law.

15. The State shall have no responsibility whatever for the loss or destruction of any improvements made by the Permittee or for personal property stored or being used on the premises.

16. This permit shall be renewed automatically for successive terms of one month each unless canceled by either party. Cancellation by the State requires thirty (30) days written notice, except for cause, in which event cancellation can be effected on ten (10) days written notice. Permittee may cancel this permit by giving thirty (30) days written notice.

17. Permittee shall not sublet the premises nor assign or transfer the permit to any other parties in part or in whole without the prior written consent of the State. Failure to comply with this provision may result in ten (10) days written notice of cancellation of the permit by the State, and the State may immediately take possession and terminate all rights of the Permittee as of such moment.

18. It is understood and agreed by and between the parties that the Permittee will ( ) will not (XX) be entitled to any relocation benefits provided under State and Federal law.

19. Permittee agrees and understands that the State is under no obligation to sell the property to the Permittee and that no commitment, express or implied, is made by the State to give the Permittee any preemptive right of purchase.

20. In accordance with Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the permittee will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, sexual orientation, military status, sex, disability, predisposing genetic characteristics, or marital status. Neither shall the Permittee discriminate in the use of this premises or any access thereto if such premises is used as a public accommodation or in connection with a public service.

21. Permittee hereby agrees to indemnify and save harmless the State from any claim or loss including legal expenses by reason of the use or misuse of the premises under this permit and/or from any claim or loss by reason of any accident or damage to any person or property being on said premises, caused by Permittee, its employees, agents or invitees.

22. If any of the provisions of this permit are held invalid, such invalidity shall not affect or impair other provisions herein which can be given effect without the invalid provisions, and to this end the provisions of this permit are severable.

23. This permit shall not be effective unless accepted and approved in writing by the State.

24. Additional provisions to permit: See Page 5

ACCEPTANCE:

In consideration of the granting of the permit, the undersigned accepts all of the above terms, conditions and provisions.

24. ADDITIONAL PROVISIONS TO PERMIT:

1. The permittee shall obtain Highway Work Permit(s) from the Department of Transportation for all construction in the permit area, and for each maintenance or reconstruction operation occurring thereafter.
2. This Permit is contingent upon compliance, inspection and approval under the terms of NYS DOT Highway Permit No. 04081421.
3. Upon cancellation of the permit by either party, the permit area must be restored to it's original condition and should the Permittee fail to restore the site, the Permittee shall reimburse the State for any and all costs incurred by the State for the restoration of the permit area. This provision may be waived or modified with prior written consent from the State.
4. The property covered by this permit and the purpose of this permit is more particularly described on Schedule A, which is attached hereto and made a part hereof.
5. The property covered by this permit is more particularly described on a sketch which is attached hereto and made a part hereof.
