Re:   Lakes Region Water Company  
      Docket No. 10-141

Dear Ms. Howland:

I am writing in consideration of the approaching deadline for the parties to the above proceeding to present a revised procedural schedule to the Commission. Once again, we request additional time. However, I wanted to take this opportunity to update the Commission on the process that is underway.

The parties continue to discuss the possibility of a financial and operating plan for the company that will address all outstanding issues and that all parties can support. We ask that the Commission understand that this process necessarily takes time and that we are working in good faith to achieve this end. For this reason, we ask for an additional thirty days, or until Monday, August 9, 2011 to present a revised procedural schedule to the Commission.

Sincerely,

A handwritten signature in dark ink, appearing to be "D.C. Crandlemire".
