RE: DW 10-141 NHPUC No. 6 – WATER, 6th Revised Page 11 and 6th Revised Page 12

Dear Mr. Mason:

Staff has reviewed the filing received on August 07, 2013 in the above-captioned proceeding.

The recently submitted Tariff did not comply with the Commission's 1603 Rules as it did not contain a proper cover letter and an electronic version of the Tariff has yet to be received. Staff would like to remind the Company to refer to and follow the 1603 rules when submitting any tariff filing to the Commission.

During the review of the filing, Staff believes that the page submitted as 6th Revised Page 11, Superseding 5th Revised Page 11 should be 6th Revised Page 12, Superseding 5th Revised Page 12. The page in question is for Division: 175 Estates, Deer Cove, Lake Ossipee Village, Indian Mound, Gunstock Glen, Tamworth Water Works. The Terms of Payment section is broken into two sections; one for Tamworth and one for the remaining divisions listed.

In addition to the previously mentioned tariff revisions, the Company has still not submitted tariff revisions associated with the following portion of PUC Order #25,496: "**FURTHER ORDERED**, that Lakes Region is authorized to recover a total of \$2,928.80 in managerial recruitment costs through a one-time surcharge of \$1.81 per customer to customer bills;" Supplement information should be submitted.

If you have any questions, please contact me at (603) 271-7092 or via e-mail at robyn.descoteau@puc.nh.gov.

Yours truly,
