RE: Glacial Natural Gas, Inc. – Docket No. DM 10-036

Dear Ms. Howland,

On behalf of Glacial Natural Gas, Inc., enclosed please find an original surety bond issued by ACSTAR Insurance Company in favor of the Commission in the amount of \$100,000, as required of competitive natural gas suppliers by PUC Rule 3003.03. Please make sure not to misplace the original, as presentment of the original bond is required if the Commission intends to draw upon it.

I believe this is the last item outstanding on Glacial's application for renewal of its supplier license. Please let me know if I can provide any further information in support of the application.

Respectfully Submitted,

Adam Gusman
