Re: Energy Professionals, LLC's notice of material change to and Gas Aggregation License 12-216.

Dear Ms. Howland;

In connection with Energy Professionals, LLC (Company) above – referenced licenses, please find the following update to the information found on the applications with respect to the ownership of the Company.

At the time of the application, the owner of Energy Professionals, LLC (Company) was FMR Management, Inc. On November 4, 2015, FMR Management, Inc. contributed 100% of its ownership interest in the Company to AGPB Holdings, LLC, a Delaware limited liability company ("AGPB"). AGPB is a holding company with no business operations.

AGPB then formed a new entity in the name of Quantum Energy Holdings, LLC ("Quantum"), a Delaware limited liability company, as part of a joint venture with GPB Energy Holdings, LLC ("GPB"), a Delaware limited liability company. Pursuant to the applicable operating agreement, AGPB contributed 100% of its ownership of the Company to Quantum for a 50% ownership position of Quantum. GPB made a cash contribution to Quantum for a 50% ownership position of Quantum. Quantum is a holding company with no business operations outside of the ownership of the Company.

Therefore, the new and current owner of the Company is Quantum, which is jointly owned in equal parts by AGPB and GPB. While GPB is represented on the Board of Directors of Quantum, it is not otherwise involved with any of the day-to-day operations of the Company. Matt Judkin will remain as the CEO of the Company. This change in corporate structure has not changed the day to day operations of the Company.
