RE: CEPS Initial Registration Application for Union Atlantic Electricity Co.  
DM 12-315

Dear Ms. Howland:

Please find enclosed a Test Acceptance Form, confirming that Union Atlantic Electricity Co. and New Hampshire Electric Cooperative (NHEC) have successfully completed EDI testing for "LDC" option. EDI testing with PSNH, UES and National Grid is in process.

Union Atlantic Electricity Co. requests to become a competitive Electric Power Supplier in NHEC's service territory, once it has met New Hampshire's financial assurance requirement.

Sincerely,

Clifford Ginn  
President
