Re: Docket No. DE 13-039; Granite State Electric Company

Dear Ms. Howland:

On April 12, 2013, the Company filed Fifth Revised Page 84 to reflect the Commission's approval of the REP/VMP Program in accordance with the April 3, 2013 Secretarial Letter in DE 13-039. Fifth Revised Page 84 misstated the GreenUp factor approved by Order 25,446. Thus, I enclose a re-issued Fifth Revised Page 84 which reflects the correct GreenUp factor. In addition, I enclose First Revised Page 93 which should have been submitted as part of the April 12, 2013 compliance filing.

Thank you for your assistance with this matter. Please do not hesitate to contact me should you have any questions.

Very truly yours,

A handwritten signature in black ink that reads "Sarah B. Knowlton".
