Re: New Hampshire Electric Cooperative, Inc. Certification Applications for Class II
Eligibility on Behalf of the Following Entities Pursuant to RSA 362-F:

DE 13-097 Kenneth Piedmont
DE 13-098 Scott C. McCullough
DE 13-099 Donna Urey

Dear Mr. McNeil:

On April 04, 2013, you submitted applications on behalf of New Hampshire residents Kenneth Piedmont (Piedmont), Scott C. McCullough (McCullough) and Donna Urey (Urey) requesting that the Commission grant approval of photovoltaic facilities located at each of these residences to produce Class II, Renewable Energy Certificates (RECs) pursuant to RSA 362-F, New Hampshire's Electric Renewable Portfolio Standard law. Staff has reviewed these applications and has recommended approval of the above-named applicants' photovoltaic arrays as eligible for Class II RECs effective April 04, 2013.

Since these facilities are customer-sited sources, the output is not recorded in the New England Power Pool Market Settlement System and, as a result the output must be monitored and verified by an independent monitor. Your application states that NHEC will monitor the facilities' output as required by N.H. Code of Administrative Rules Puc 2505.08 and 2505.09. These facilities' total output will also be included in the *NHEC Class II Aggregation's* total output reported to the NEPOOL Generation Information System as approved by the Commission on April 9, 2010.

The details for these facilities are listed in the following table.

Docket #	Facility Owner	Facility Location	Total MW listed in application (DC Arrays)	Effective Date to Produce RECs	NH Certification Code
DE 13-097	Piedmont	Springfield	0.00494	04-04-13	NH-II-13-038
DE 13-098	McCullough	Wilmot	0.0035	04-04-13	NH-II-13-039
DE 13-099	Urey	Jackson	0.0052	04-04-13	NH-II-13-040

The Commission has determined that NHEC has provided all the information necessary to demonstrate these facilities' eligibility for certification and hereby certifies the Piedmont, McCullough, and Urey photovoltaic arrays as eligible for Class II RECs effective April 04, 2013.

Sincerely,

Debra A. Howland
Executive Director
