Dear Director Howland,

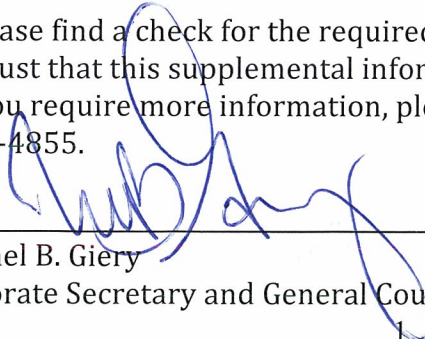

We are in receipt of the Commission's letter dated May 16, 2013, regarding the registration of Negawatt Business Solutions, Inc. ("Negawatt") as an Aggregator of electricity in the State of New Hampshire. Please accept the following supplemental information, pursuant to PUC Rules 2003.04(a) and 2003.05(b).

Negawatt seeks to register as an Aggregator of electricity in the following utility franchise areas: 1) Liberty, 2) NHEC, 3), PSNH, and 4) Until.

Negawatt intends to provide service through the following competitive electric power suppliers (with the intent to enter into agreements with additional competitive electric power suppliers in New Hampshire as business opportunities arise):

- ConEdison Solutions;
- Glacial Energy of New England, Inc. (competitive electric power supplier that is an Affiliate of Negawatt).

Enclosed please find a check for the required filing fee of \$250, as requested in your letter. We trust that this supplemental information completes the registration process; if you require more information, please feel free to contact Adam Gusman at (202) 421-4855.
