On May 9, 2013, Negawatt Business Solutions (Negawatt) filed an application for registration as a provider of natural gas aggregation service. On May 21, 2013, Staff submitted a letter to Negawatt to request additional information to complete the application. On May 31, 2013, Negawatt responded fully to Staff's requests.

Staff has reviewed the information in the application and determined that the filing is complete. Staff, therefore, recommends approval of Negawatt's application to register as a provider of natural gas aggregation service, effective as of the date the Commission's approval letter, for a term of 2 years.
