Re: Delivery Service Tariff NHPUC No. 8 Effective September 1, 2014

Dear Director Howland:

In compliance with the Commission's Order No. 25,675 dated June 4, 2014 in Docket No. IR 13-244 (Electric Distribution Utilities and Competitive Energy Suppliers, Investigation into Payment Hierarchy Issues), the following tariff pages are transmitted herewith:

NHPUC No. 8 - Electricity Delivery  
Public Service of New Hampshire

2nd Revised Pages 32 and 36

Effective: September 1, 2014

In its order, the Commission established the order in which customer payments are to be applied to balances due to PSNH and to competitive electric power suppliers who engage the Company to perform billing, payment and collection services. The enclosed tariff pages have been revised to reflect this new payment hierarchy, effective September 1, 2014. In addition, the Commission's order required that PSNH make certain amendments to its existing supplier agreements. PSNH has amended its agreements and is in the process of executing new agreements with all suppliers.

Please let us know if there are any questions concerning this filing. We are enclosing a black-lined version of the tariff pages as well as one signed original copy of all filing materials and three conformed copies.

Very truly yours,

Matthew J. Fossum  
Senior Counsel
