Re: November 2014 monthly cost of energy over/under report (DG 13 – 255)

Dear Ms. Howland,

Enclosed is the November 2014 over/under report. The November 2014 report is hereby filed to reflect the actual fuel costs from November 2013 through October 2014. A final reconciliation for the year will be submitted after the internal audit is complete.

There is an increase of just over 8% in expected overall monthly steam sales and a 12% increase of anticipated fuel cost since the beginning of the COE year (Nov 2013). As a result, the enclosed November report reflects a COE end of year under-collection of approximately \$9,180.

The November 2014 rate is \$25.10, and the December 2014 rate will remain unchanged at \$25.10 in accordance with DG 14-233.

If there are any questions please call me.

Yours Truly,

Mark E. Saltsman  
Vice President
