Re:

DW 13-305, Lorden Commons Sewer Company, LLC

Notice of Intent to File Initial Sewer Rate Commission Determination of Deficiency

Dear Mr. St. Cyr,

On October 21, 2013, you filed on behalf of Lorden Commons Sewer Company, LLC (Lorden) a notice of intent to file rate schedules. Shortly thereafter, on October 25, 2013, you filed Lorden's rate schedules. Pursuant to Puc 1604.05 (a), written notice of a utility's intent to file rate schedules must be done at least 30 days prior to the actual filing of such schedules. Because the rate schedules were filed before the 30 day period expired, pursuant to Puc 203.05 (b), the Commission has deemed the petition deficient and will not accept the filing at this time. The Commission's determination does not affect the notice of intent, and thus, it remains in effect. Accordingly, the Commission on its own accord has granted Lorden leave to re-file its rate schedules in this docket provided it does so within the time frame prescribed in Puc 1604.05.

Sincerely,

Debra A. Howland Executive Director

Silve A. Haland
