Re: DE 14-063 Unitil Energy Systems, Inc. Compliance Tariff

Dear Secretary Howland:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed please find an original and six (6) copies of the following tariff page, filed in compliance with NHPUC Order No. 25,656 in DE 14-063, dated April 30, 2014. This page is in addition to the compliance tariff pages UES filed on May 1, 2014 in the same docket.

NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.
Fourth Revised Page 66, External Delivery Charge, Schedule EDC

Please note that this revised tariff page contains two revisions: (1) It adds language to provide that the External Delivery Charge include the over- or under-collection from the Company's Vegetation Management Program and Reliability Enhancement Program for calendar years 2013, 2014 and 2015, effective on May 1 of the following year, as approved in Order No. 25,656; and (2) It removes reference to the Renewable Source Option ("RSO") Program. In DE 13-262, Order No. 25,597, UES was granted approval to end the RSO program effective December 19, 2013.

Thank you for your attention to this matter.

Sincerely,
