NEW HAMPSHIRE PUBLIC UTILITIES COMMISSION

Debra Howland,
Executive Director
21 South Fruit Street,
Suite 10
Concord, NH 03301-2429

Subject: Request for waiver PUC 2003.03(a)(5) - First Point Power, LLC
DM 13-066

Dear Ms. Howland,

In conjunction with the Renewal Registration of Competitive Electric Power Suppliers for First Point Power, LLC, the company respectfully requests a waiver of N.H. Admin. Rule 2003.03(a)(5)b which requires the surety instrument be a minimum of 5-years and 90-days.

First Point Power, LLC has secured the Continuation Certificate for its Electric Generation Services bond #1954122 for the period June 4, 2014 through June 4, 2015. The form in which it was written allows the bond to be renewed with a continuation certificate and the company plan is to continue to exercise the continuation. The original bond with the raised seal and signature along with two copies were submitted to your office on June 3, 2014.

Additionally, we again requested the surety timeframe to be increased and Jennifer Vanat of Rose and Kiernan Surety Division came back with the same information provided last year which was outlined in a letter dated July 24, 2013 addressed to the commission. I have included a copy of that letter for reference.

Thank you for your time and consideration in this matter and look forward to learning of your ruling on our request.

Best regards,
