Determination Regarding PSNH's Generation Assets

**OFFICE OF ENERGY AND PLANNING**  
**PETITION TO INTERVENE**

NOW COMES the Office of Energy and Planning (OEP) and respectfully requests leave to intervene as a party in the above-referenced proceeding, pursuant to Puc 203.17 and RSA 541-A:32. In support of this petition, OEP states the following:

1. OEP is an Executive Branch agency charged with advising the Governor on matters pertaining to energy policy.
2. OEP has an ongoing interest in the issues cited by the Commission in its Order of Notices regarding PSNH's generation assets. OEP's precursor agency, the Governor's Office of Energy and Community Services, was an active participant in DE 99-099, and participated in related stakeholder processes and litigation involving electric restructuring.
3. OEP's intervention is in the interest of justice and would not impair the orderly and prompt conduct of the proceedings.

WHEREFORE, OEP requests that the Commission grant this motion, allow OEP to intervene as a party in this proceeding, and grant such other relief as is just and proper.

Respectfully submitted,

Meredith A. Hatfield  
Director

**Certificate of Services**

I certify that on this date a copy of the foregoing was hand-delivered to the PUC and the Office of Consumer Advocate, and sent electronically to the Utilities and all other parties on the Service List in DE 14-238.
