Re: Application for Certification as REC Eligible Facilities –Mascoma Valley Regional School District, SAU 62

DE 14-301 Mascoma Valley Regional High School
DE 14-302 Indian River School
DE 14-303 Enfield Village School
DE 14-304 Canaan Elementary School

Dear Mr. Wilson:

On October 30, 2014, the Commission received four applications filed by Wilson Engineering Services, PC (WES), on behalf of the Mascoma Valley Regional School District, SAU 62 (SAU 62). WES requested interim Class I Thermal renewable energy certificate (REC) eligibility for the four SAU 62 schools listed in the table below:

Facility Name	Address	Town	ZIP	Rated Thermal Capacity (Btu/hr)	Megawatt (MW) equivalent
Mascoma Valley Regional High School	27 Royal Road	Canaan	03741	819,000	0.24
Indian River School	45 Royal Road	Canaan	03741	382,000	0.11196
Enfield Village School	271 US Route 4	Enfield	03748	191,000	0.055979
Canaan Elementary School	31 School Street	Canaan	03741	382,000	0.11196

The Commission reviewed the SAU 62 thermal biomass project applications and Staff's recommendation and determined that all necessary documentation had been provided to demonstrate that these thermal biomass facilities meet of the requirements of Puc 2500 upon identification of an independent monitor. Accordingly, by secretarial letter dated December 15, 2014, the Commission approved certification of interim Class I REC eligibility for these four thermal energy facilities, effective as of January 1, 2014, conditioned on identification of an independent monitor for the facilities to perform the duties outlined in Puc 2505.09(d).

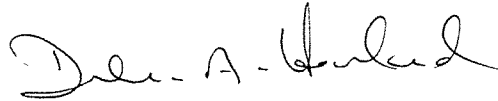

On January 8, 2015, the Commission was notified by e-mail that Adam Kohler, PE, of Kohler and Lewis Engineering, had been selected as the independent monitor for the four SAU 62 thermal energy facilities. Mr. Kohler was approved as an independent monitor as of December 15, 2014, in Docket DE 14-320.

Accordingly, the Commission hereby confirms full and unconditional interim approval for the four SAU 62 thermal biomass facilities as Class I Thermal renewable energy sources, effective as of January 1, 2014. The GIS facility code and New Hampshire Certification Code for each of the four facilities are provided in the following table:

Facility Name	Town	GIS Facility Code	NH Certification Code #
Mascoma Valley Regional High School	Canaan	NON 43521	NH-IT-14-145
Indian River School	Canaan	NON 43520	NH-IT-14-146
Enfield Village School	Enfield	NON 43519	NH-IT-14-147
Canaan Elementary School	Canaan	NON 43518	NH-IT-14-148

Please note that that the four renewable energy facilities must demonstrate compliance with the adopted Puc 2500 rules within 90 days of their December 5, 2014 effective date, pursuant to Puc 2505.02(e).

Sincerely,

Debra A. Howland
Executive Director

cc: Debra Ford, Business Administrator, SAU 62
James Webb, GIS Administrator
Adam Kohler, PE, Kohler & Lewis Engineering

SERVICE LIST - EMAIL ADDRESSES - DOCKET RELATED

Pursuant to N.H. Admin Rule Puc 203.11 (a) (1): Serve an electronic copy on each person identified on the service list.
