DG 14-380

Petition for Approval of a Firm Transportation Agreement with the Tennessee Gas Pipeline Company, LLC

Pipeline Awareness Network of the Northeast ("PLAN") Data Requests – Set 1

Date Request Received: 3/11/15
Request No. PLAN 1-25

Date of Response: 3/23/15
Respondent: Francisco C. DaFonte

REQUEST:

Reference DaFonte Testimony, Bates pp.31-32.

Please provide all analyses assumptions, workpapers, analyses, Board of Director presentations, reports and documentation relating to EnergyNorth's consideration and review of the Spectra and TransCanada/PNGTS C2C projects.

RESPONSE:

The Company relied on publically available open season documents for information related to the C2C project as well as the Atlantic Bridge project. With regard to the Atlantic Bridge project, Spectra Energy offered a lower rate to any Anchor Shipper on the project and that rate is reflected in the Company's testimony.
