Registration to Provide Electric Aggregation Service**TO:** Commission
Debra Howland, Executive Director

On February 6, 2015 Energy Trust LLC d/b/a General Tuesday Energy Services (Energy Trust) filed an application to register as a provider of electric aggregation service. Energy Trust was previously approved as a provider of electric aggregation service under Docket No. DM 12-057, but, because a renewal application was not filed prior to the expiration of the term, that registration expired on April 26, 2014.

Staff has reviewed the application and has determined that the filing is complete. Staff, therefore, recommends approval of Energy Trust's application to register as a provider of electric aggregation service, effective on the date of the Commission's approval letter, for a term of 2 years.
