Dear Mr. Coleman,

The application to renew your gas aggregation registration was received on March 13, 2015. Staff has reviewed the application and in order to approve it with the trade name, L5E, LLC d/b/a 5 - The Energy Advisory and Brokerage Firm, we must be provided either a copy of the certificate from the N.H. Secretary of State showing that 5 - The Energy Advisory and Brokerage Firm is a registered trade name associated with L5E, LLC or a printout of the listing of that name from the N.H. Secretary of State website, showing that the name is registered and associated with L5E, LLC.

Another option is that the company could file a letter with the commission indicating that it would not be using the trade name 5 - The Energy Advisory and Brokerage Firm.
