SUBJECT: DM 15-125, Better Cost Control, LLC Withdrawal of Registration as an Electric Load Aggregator

TO: Debra Howland, Executive Director

On June 1, 2018, Better Cost Control, LLC (Better Cost Control) filed a request to withdraw its registration as an electric load aggregator in New Hampshire. Better Cost Control confirmed that it has no electric aggregation customers in New Hampshire and has not served any such customers in the past 30 days. Better Cost Control therefore had no customers to whom a notice of service discontinuation should be sent at least 30 days prior to its request for withdrawal. Staff has also confirmed that Better Cost Control has no pending customer complaints against it.

Staff has reviewed the request and determined that it meets the requirements for the withdrawal of Better Cost Control's electric load aggregator registration, pursuant to Puc 2003.08(b) and (c). Staff, therefore, recommends approval of Better Cost Control's request to withdraw its electric load aggregator registration, effective as of the date of the letter confirming such approval.
