Re: Energy Efficiency Resource Standard, DE 15-137

Dear Ms. Howland:

I write to clarify my letter dated May 10, 2016 filed in this docket. The letter was intended to reflect the Legislature's directive in HB 2 that any General Fund dollars expended in the implementation of an Energy Efficiency Resource Standard must be approved by the Fiscal Committee. I also want to thank the parties for all their hard work in this docket. Thank you very much for your time and consideration.

Very Sincerely Yours,
