State of New Hampshire
Public Utilities Commission

DE 15-137

Gas and Electric Utilities Energy Efficiency Resource Standard

Petition for Intervention

The New England Clean Energy Council (NECEC) submits this Petition for Intervention in the above referenced docket, and states the following:

1. NECEC is a regional non-profit clean energy business, policy, and innovation organization whose mission is to accelerate the region's clean energy economy to global leadership by building an active community of stakeholders and a world-class cluster of companies.
2. NECEC represents clean energy business, including those innovating in energy efficiency and demand response. On behalf of our members, NECEC is interested in promoting energy efficiency as a low-cost, low-carbon resource for New Hampshire and the region. NECEC has participated in many proceedings before Public Utilities Commissions in other states in the region on behalf of clean energy policies.
3. NECEC's participation in the proceeding is in the interest of justice and will not disrupt the orderly conduct of this proceeding, or delay the proceedings.

The New England Clean Energy Council respectfully requests that it be granted full intervenor status in this proceeding.

Respectfully submitted,

Janet Gail Besser
VP, Policy & Government Affairs

Certificate of Service

I certify that on this date a copy of the foregoing was sent electronically to the Executive Director of the Public Utilities Commission and also sent electronically to the Utilities and all other parties on the Service List in DE 14-238. Six hard copies will follow by mail pursuant to the request for an extension above.

Janet Gail Besser
