Re: DE 15-137 – Energy Efficiency Resource Standard

Dear Director Howland:

Enclosed for filing with the Commission in the above-captioned docket please find an original and six (6) copies of an errata sheet that modifies Bates page 52 of the filing made by New Hampshire's Electric and Natural Gas Utilities ("the utilities") on December 9, 2015. The enclosed document modifies page 38 of 55 of the Joint Pre-filed Testimony of E. Stanley, C. Woods, R. Bisson and C. Carroll by deleting from line 11 a statement indicating that the City of Concord has adopted the C-PACE program. The utilities respectfully request that the enclosed document be substituted for the corresponding page in the utilities' original filing.

Please contact me if there are any questions about this filing. Thank you for your assistance.

Very truly yours,

Susan S. Geiger
