Subject: Docket No. DG 15-155 Valley Green Natural Gas, LLC

Deborah Howland:

I write to urge you to issue a decision promptly to deny the petition referenced above. Based on the recommendations of staff and the Office of Consumer Affairs there is ample reason to deny this petition. There is substantial interest in the Upper Valley in developing renewable energy. The goal is 100% renewable by 2050. This project is in direct opposition to that goal and that effort.
