In an abundance of caution, FairPoint Energy, LLC discloses the following docketed investigations and disciplinary proceedings involving its affiliates.

Public Power LLC – Pennsylvania, Docket #A-2009-2143245

Prior to Public Power becoming affiliated with Crius Energy, Public Power was investigated by the Bureau of Investigation and Enforcement of the Pennsylvania Public Utility Commission ("<u>PUC</u>") for alleged unauthorized customer enrollments during July 2011. It was found that the unauthorized enrollments resulted from a data entry error by a third-party telemarketer acting on behalf of Public Power. Upon discovery of the mistake, Public Power contacted and worked cooperatively with the utility to rescind the transfers. On December 19, 2013 the PUC unanimously approved a settlement of \$64,450 plus customer refunds of \$22,161.68.

Public Power LLC – Connecticut, Docket #07-06-13 (Docket No. 11-10-06) October 2011

Prior to Public Power becoming affiliated with Crius Energy, the Connecticut Public Utilities Regulatory Authority ("<u>PURA</u>") opened Docket 11-10-06 to investigate customer complaints that Public Power may have charged rates in excess of its contracts. PURA found no evidence that Public Power charged rates in excess of its contracts. However, to foster good will, Public Power issued credits to the identified customers. Public Power and the PURA entered into a settlement agreement under which Public Power would make a charitable contribution of \$6,000, in lieu of a civil penalty. The Settlement Agreement was submitted to PURA on June 28, 2012 and was formally approved on May 15, 2013.

Public Power LLC - Connecticut, Docket #07-06-13 (Docket No. 13-02-08) February 2013

Public Power is currently being investigated by PURA due to customer complaints it received during 2012. The vast majority of these complaints were the result of enrollments that took place before the Crius Energy management team took over management of Public Power. The purpose of the investigation is to determine whether Public Power engaged in any unfair or deceptive trade practices. The investigation is ongoing and Public Power is providing PURA with all requested documents and information.

Viridian Energy PA, LLC - Maryland, License No. IR-1840 (Case No. 9255, Order No. 84959)

In January 2011, the Staff of the Maryland Public Service Commission filed a complaint against Viridian Energy alleging that Viridian Energy's independent contractors had violated the Maryland customer protection rules by providing misleading representations in late 2010. On June 7, 2012, the Commission assessed a civil penalty of \$60,000 against Viridian Energy, and noted such fine related to instances of past behavior, noting a reduced penalty because Viridian Energy had strengthened its compliance program.

NEW HAMPSHIRE TERMS & CONDITIONS

You authorize FairPoint Energy, LLC ("<u>Company</u>"), a member of the Crius Energy family of brands, to change your electricity or gas supplier, as the case may be, to Company and to supply your home or small business with all the Services you need, subject to the eligibility requirements of your local electric or gas utility ("<u>Utility</u>"). The Company uses its name under a license agreement with FairPoint Communications Inc. Your Enrollment Documentation, which includes your Welcome Letter, and these Terms and Conditions create your agreement with the Company ("<u>Agreement</u>") and supersedes any oral or written statements made in connection with this Agreement or the supply of your Services. Capitalized terms used herein have the meaning ascribed to them as listed within the Agreement as well as in the "<u>Definitions</u>" section herein.

1. <u>SERVICES</u>. Upon successful completion and receipt of all customer enrollment requirements, Company will supply Services for your home or small business. Company is a retail marketer of Services and is not your Utility. Your Utility will continue to deliver Services to your home or small business, read your meter, send your bill and make repairs and charge you for its services related to delivering your commodities. Your Utility will also respond to emergencies and provide other traditional utility services. You understand that you are not required to switch your Services to Company.

2. <u>**TERM.</u>** Company will begin supplying your Services when the Utility switches your account to Company. Your Agreement will continue for the Term specified in the Enrollment Documentation, and if applicable for the Renewal Term. Typically it takes one to two billing cycles for your Service to be switched from your Utility to the Company, but there may be a delay before the Utility switches Services and you understand that Company is not responsible for any such delays.</u>

3. **PRICE**. Each month you will pay for the Services you consume. For electricity, your bill will be calculated by multiplying your Rate by the amount of electricity you consumed in kilowatt-hours during the billing cycle, plus any applicable Fees. For gas, your bill will be calculated by multiplying your Rate by the amount of gas you consumed in ccfs or therms, as applicable, during the billing cycle, plus any applicable Fees. Your Rate does not include other costs, including but not limited to, the price of transmission and distribution, the system benefits charge, stranded cost recovery charge, and taxes. Depending on your Utility's billing practices, your

Rate during the billing cycle may be applied pro rata, resulting in a blended rate of the previous month and the current month Rate. If your price is based on an estimated usage for such Services, the Company has the right to bill you on actual usage when such information is made available and you have the obligation to pay Company for such actual usage amounts.

4. RATE PLAN OPTIONS.

a. <u>Fixed Rate</u>. If you selected a fixed rate, the Rate for your Service is the Rate indicated in your Enrollment Documentation and guaranteed not to change for the Term (<u>"Fixed Rate</u>").

b. <u>Variable Rate</u>. If you selected a variable rate, the Rate for your Service is the Rate indicated in your Enrollment Documentation and will vary based on several factors, including but not limited to market conditions, operations costs, and other factors and may include an introductory rate for such time as indicated in your Enrollment Documentation ("Variable Rate").

c. <u>Index Rate</u>. If you selected an index rate, the Rate for your Service will be the index Rate indicated in your Enrollment Documentation and will vary in accordance with the terms of the specific index ("<u>Index Rate</u>").

d. <u>Understanding and Selecting Rates</u>. You understand that unless you have been offered a Rate in writing confirmed by the Company that expressly provides otherwise, there are no guaranteed savings and your Rate may be higher or lower than the Utility's rate in any given month.

5. **<u>RESCISSION; TERMINATION.</u>** You may rescind or terminate this Agreement as provided below.

FPE_NH_ResSC_101714

a. <u>Right of Rescission</u>. In compliance with New Hampshire law, you may rescind this Agreement, without fees or penalties of any kind, (i) within three (3) business days from the date of personal or electronic delivery of this Agreement, or (ii) within five (5) business days from the date of postmark when this Agreement is delivered via the United States postal service ("<u>Rescission Period</u>").

b. Terminating Fixed Rate Plans. You may terminate a Fixed Rate plan at any time; provided that, if you terminate after the Rescission Period and before the end of the Term or Renewal Term, the applicable Termination Fee listed in your Enrollment Documentation will apply for the Service you terminate. If you are a small business customer and selected a Fixed Rate, your early termination fee for each Service is equal to the Remaining Contract Quantity times the greater of (i) Contract Price less Market price at the time of the Termination, or (ii) \$0.02/kWh or Ccf/therm. Remaining Contract Quantity shall mean the total estimated usage for the period remaining in the Fixed Term of this Agreement at the time of termination, based on Buyer's historical usage or Company's estimated usage calculated in a commercially reasonable manner. The Market Price for the remainder of the Fixed Term will be determined by Company in a commercially reasonable manner.

c. <u>Terminating Variable Rate Plans</u>. You may terminate any Variable Rate Services at any time and no Termination Fee will apply.

d. <u>Terminating Index Rate Plans</u>. You may terminate any Index Rate Plan Services at any time and no Termination Fee will apply.

e. <u>Termination Notice</u>; <u>Effect of Termination</u>. To terminate or rescind this Agreement, you must notify Company as detailed in Section 14 or your Utility. Please provide your name, address, phone number, account number and a statement that you are rescinding or terminating the Agreement. Rescission is effective immediately. Termination will be processed immediately but is effective upon your Utility processing your termination and you are obligated to pay for the Services provided pursuant to this Agreement until you are returned to your Utility or alternative supplier.

BILLING AND PAYMENT. The Services you 6. purchase from Company will be included in your Utility monthly bill or in a separate invoice from Company. If from the Utility, the Utility will set your payment due date and the payment address. Any bill not paid in full by its due date will incur a late payment fee in accordance with the Utility's or the Company's billing and payment policies and procedures, as the case may be. You may be liable for the costs the Company incurs if Company must terminate your bill for failure to pay, such as collection costs or attorney fees. Company shall have the right to setoff and net against any undisputed amounts owed by you under this Agreement, and the Company shall additionally have the right to setoff and net against any deposit or security provided by you pursuant to this Agreement any amounts, charges or damages owed by you to Company. You will be billed and pay Company for the Services based on meter readings and consumption information that Company receives from your Utility ("Billing Quantity"). For commercial accounts, Company will have the option to adjust the Billing Quantity for fuel and line loss retained by your Utility and interstate transporters from the Purchased Quantities. You are responsible for paying and reimbursing Company for all applicable Fees. If you are tax exempt, you must furnish Company an exemption certificate before vour service commences.

7. <u>**CUSTOMER INFORMATION.</u>** All authorizations provided herein will remain in effect for the Term and, if applicable, the Renewal Term of this Agreement; however, authorization may by rescinded by you any time by contacting Company.</u>

a. <u>Credit Requirement</u>. You authorize Company to review your credit history. If you fail to meet Company credit criteria, you understand that Company may refuse or terminate Service or provide a substitute product. You may be required to promptly provide Credit Enhancements to continue Service if there is a deterioration in your credit rating or a Usage Increase.

b. <u>Customer Information</u>. You authorize Company

to obtain your Customer Information from your Utility and, under a confidentiality agreement, share your Customer Information with Company Agents. Company will not otherwise release Customer Information without Customer consent, except as required by law.

8. **RENEWAL NOTICE**. For any Fixed Rate plan you have selected, you will receive notice from Company (between thirty and sixty days prior to the end of your Term) that, unless you opt out, you will be automatically enrolled: (i) on the Fixed Rate plan provided in the notice, or (ii) on the Company's Variable Rate plan available at such time (which allows you to cancel at any time without any Termination Fees). For any Variable Rate plan or Index Rate plan, you will not receive a renewal notice and such plan will continue until you cancel (at any time without any Termination Fees) or the Company may cancel by providing you notice as required by law. Each new renewal period after your initial Term will be deemed a "Renewal Term".

9. PHONE COMMUNICATION POLICY. You will be asked by the Company to provide consent to the Company's Phone Communication Policy. Our policy is that if you provide your phone number, which may include your wireless number, the Company and its Agents may text or call you with autodialed or pre-recorded promotional or product information. Your consent and acceptance of this policy is not a condition of purchase and may be revoked at any time. You may add a telephone number to the national do not call registry by calling 888-382-1222 from the phone you wish to register, or go click on "Register a Phone Number" in the left column of the webpage at www.donotcall.gov.

In the event of a dispute or a disagreement under this Agreement, the parties will use their best efforts to resolve the dispute. If you are not fully satisfied after discussing your dispute with Company, or if you have any questions about rights and responsibilities, you may contact the Commission's Consumer Affairs Division at 1-800-852-3793.

Regardless of whether you choose to pursue your dispute with the Commission's Consumer Affairs Division, your right to pursue individual arbitration with the Company will not be impacted under this Agreement as set forth below.

You and the Company both agree to resolve Disputes (as defined below) only by arbitration or in small claims court (for qualifying claims), subject to specific exceptions listed herein. There is no judge or jury in arbitration, the procedures may be different, and is subject to very limited review by a court. An arbitrator, however, can award you the same damages and relief, and must honor the same terms in this Agreement, as a court would. If the law allows for an award of attorneys' fees, an arbitrator can award them too. In addition, you and the Company also both agree that:

(a) "Disputes" are any claims or controversies against each other related in any way to, or arising from the Company's services, this Agreement, or any related agreements, including but not limited to, billing, services and practices, policies, contract practices (including enforceability), service claims, privacy, or advertising, even if it arises after your services with the Company have terminated. Disputes include any claims that: (a) you bring against the Company or any of its employees, agents, affiliates, or other representatives; (b) you bring against a third party that are based on, relate to, or arise from the Company's services, this Agreement or any related agreements; or (c) that the Company brings against you. It also includes, but is not limited to, claims related in any way to, or arising from any aspect of the relationship between you and the Company, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory,

(b) Except as otherwise provided under Section 14(f) below, the Federal Arbitration Act, 9 U.S.C. § 1 *et seq.* (the "FAA") applies exclusively to this agreement to arbitrate, and this agreement to arbitrate is intended to be broadly interpreted. The

arbitrator's decision and award is final and binding, with some exceptions under the FAA, and judgment on the award may be entered in any court with jurisdiction.

(c) Unless we each agree otherwise, the arbitration will be conducted by a single neutral arbitrator and will take place in the county (or parish) of the Service Address.

(d) The arbitration will be conducted by: (a) a neutral third party arbitrator mutually agreed upon by you and the Company; or (b) the American Arbitration Association (the "AAA"). The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the AAA, as modified by this Agreement. Where the terms of this agreement to arbitrate conflict with the AAA Rules, the terms of this agreement to arbitrate shall override and govern. The AAA Rules are available online at adr.org, by calling the AAA at 1-800-778-7879, or by writing to the Notice Address for the Company, which is 1055 Washington Blvd., Stamford, CT 06901. The arbitrator is bound by the terms of this agreement to arbitrate. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. If your claim is for \$10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Upon your request, and you supplying appropriate documentation, the Company will reimburse your administrative costs for the arbitration over and above the costs associated with filing a case in court. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured

by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. However, nothing in this paragraph will require or allow you or the Company to arbitrate on a class-wide, representative or consolidated basis. An arbitration award and any judgment confirming it apply exclusively to the specific case. The arbitration award and judgment cannot be used for any other case except to enforce the award itself.

You and the Company each agree that arbitration will only be pursued on an individual basis, and will not be pursued on a classwide, representative or consolidated basis. This Agreement does not allow class, representative or collective arbitrations even if the AAA procedures or rules would. If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then this agreement to arbitrate does not apply and the dispute must be brought in court.

(f) You and the Company agree that notwithstanding this agreement to arbitrate, either party may bring qualifying claims in a small claims court. In addition, this arbitration provision does not prevent you from bringing your dispute to the attention of federal, state, or local government agencies (including the Commission's Consumer Affairs Division), and if the law allows, they can seek relief against the Company on your behalf.

(g) If for any reason a claim proceeds in court rather than through arbitration, you and the Company agree that there will not be a jury trial. You and the Company unconditionally waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating in any way to this Agreement or the services provided by the Company. In the event of litigation, this paragraph may be filed to show a written consent to a trial by the court.

17. **<u>MISCELLANEOUS.</u>**

a. Use of Services. You must notify Company if you generate renewable energy or use net metering at your home or small business. If you use net metering, or if there is a Change in Usage, Company reserves the right to modify your Rate or terminate this Agreement and recover costs, if any. In addition, the Company has the right to refuse or terminate Services, and recover costs, if any, if your Service requirements are above the Usage Thresholds.

b. Agency and Point of Sale. (A) If you are receiving gas service, you hereby designate Company as your agent to: (i) arrange and administer contracts and service arrangements between you and your Utility, and between you and the interstate pipeline transporters of your gas (including capacity release, re-release, and recall arrangements); (ii) nominate and schedule with the interstate pipelines the transportation of your gas from the Sales Points to the Delivery Points, and with your Utility for the transportation of your gas from the Delivery Points to your premises; and (iii) aggregate your gas with the gas supplies of Company's other customers in order for you to qualify for transportation service and to address and resolve imbalances (if any) during the term of this Agreement. As your agent, Company will schedule the delivery of a quantity of gas at the Sales Points necessary to meet your city gate requirements based on the consumption and other information that Company receives from your

Utility. Company, as your agent, will arrange for the transportation of gas from the Sales Points to the Delivery Points, and from the Delivery Points to your premises; and (B) if you are receiving electric service, you hereby designate Company as your agent for the purpose of arranging, contracting for, and administering transmission services (including those provided by your Utility) for the delivery of electricity.

c. Title; Risk of Loss. You and Company agree that title to, control of, and risk of loss of the Purchase Quantities supplied under this Agreement will transfer from Company to you at the Sales Points. Company and you agree that transactions under this Agreement are originated and consummated outside the jurisdictional limits of the municipality and county, or other taxing authority where your service address is located. If a taxing authority determines that a gross receipts tax or other tax is applicable to the sale of the electric service or gas service under this Agreement, you agree to pay such tax, as invoiced. For commercial customers only: (i) as between Company and you as a commercial customer, you will be deemed to be in exclusive control of the natural gas and/or electricity and responsible for any damage, injury, charges, transportation fees, costs or losses at and after the Sales Points, including, without limitation, any losses that Company incurs that result from having to resell, or its inability to resell, to another party natural gas and/or electricity supplies allocated for you and (ii) as between Company and you, Company will be deemed in exclusive control of the natural gas and/or electricity, and responsible for any damage, injury, charges, transportation fees, costs or losses until the natural gas and/ or electricity is delivered to the Sales Points; provided, however, that in no event shall Company's liability under this Agreement exceed the difference between the reasonable price of replacing any undelivered natural gas and/or electricity and the price of natural gas and/or electricity under this Agreement.

d. *Assignment.* You may not assign this Agreement without prior written consent of the Company. Company reserves the right to sell, transfer, pledge or assign this Agreement and your account, and

related revenues and proceeds for financial purposes or in connection with a sale. This Agreement is binding upon the parties hereto and their respective successors and legal assigns.

Change in Law/Third Party Charges. The e. Agreement is subject to any future legislation, orders, rules, regulations or Utility tariff or policy changes. If there is a change in any law, rule or pricing structure, including but not limited to a change in Capacity charges in New England, that results in Company from being prevented, prohibited or frustrated from carrying out the terms of the Agreement, Company may terminate this Agreement, change your Rate or modify terms in this Agreement so that it complies with such law. In the event of a change in Capacity charges, or other similar third party charges that are not set by the Company and that materially impact pricing, the Company may pass through such charges. This provision applies to all rate plans, whether fixed, index or variable.

f. *Governing Law; Venue.* Venue for any lawsuit brought to enforce any term or condition of this Agreement shall lie exclusively in the State of New Hampshire. The Agreement shall be construed under and shall be governed by the laws of the State of New Hampshire without regard to the application of its conflicts of law principles.

g. *Non-Waiver*. The failure by one party to require performance of any provision shall not affect that party's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.

h. *Severability.* If any provision of this Agreement is held unenforceable, then such provision will be automatically modified to reflect the parties' intention. All remaining provisions of this Agreement shall remain in full force and effect.

i. *Complete Agreement*. This Agreement constitutes the final and complete agreement between you and the Company. It is the complete and exclusive expression of the terms and conditions agreed upon for the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

POWER SOURCES — New Hampshire law requires retail electricity providers to periodically provide information to their customers on the mix of power sources used by the provider to serve their New Hampshire customers' load.

EMISSIONS — <u>Carbon Dioxide (CO2)</u> is released when certain fuels are burned. It is considered a greenhouse gas and a major contributor to global warming. <u>Nitrogen Oxides (NOx)</u> form when certain fuels are burned at high temperatures. They are considered contributors to acid rain and ground-level ozone (or smog). <u>Sulfur Dioxide (SO2)</u> is formed when fuels containing sulfur are burned. Major health effects associated with SO2 include asthma, respiratory illness and aggravation of existing cardiovascular disease. The production of electricity can produce other harmful emissions and have other environmental impacts. Environmental impacts differ among individual power plants.
