Dear New Hampshire Public Utilities Commission,

Contained in this package is the application for Nextility's Competitive Natural Gas license. Originally a solar company, within the last year, our company has begun providing brokerage services for small and medium sized businesses. With our unique technological approach to energy brokerage, we strive to offer customers with a top-notch customer service, and a transparent look into energy markets.

Additionally, we have already sent checks for this application process. We deeply apologize that the process has taken this long to complete. Please contact us if you have any further questions or need any additional documents to complete the application process.

Kind Regards,
