**RE: DM 15-315 Correspondence – Update to Corporate Structure and Change of Business
Address of Town Square Energy**

Dear Director:

With this filing, Town Square Energy notifies the New Hampshire Public Utilities Commission that the organization of which it is a part has undergone an update in structure.

Prior to November, 2015, Town Square was a wholly-owned subsidiary of Aspiry Holdings LLC (fka Twin Cities Power Holdings LLC) under Krieger Enterprises. In November, Aspiry Holdings, LLC distributed 100% of the equity interests of Krieger Enterprises to the common equity ownership. Krieger Enterprises has the same ultimate upstream (common equity holders) ownership as they had prior to the distribution.

Aspiry Holdings, LLC is a publicly reporting entity with most recent filings available through the Securities and Exchange Commission (SEC) by searching "Aspiry" from this URL: <http://www.sec.gov/edgar/searchedgar/companysearch.html> where the restructuring of the company is detailed, for further information, beginning on page 54 of the most recent 10Q public filings.

Organizational charts that detail the corporate structure before and after the update are depicted in the attached Exhibit "A".
