UNITIL ENERGY SYSTEMS, INC.

2016 Default Service Proceeding

ORDER OF NOTICE

On February 23, 2016, Unitil Energy Systems, Inc. (Unitil) filed its 2016 power supply procurement schedule for its customers who do not take electric service from a competitive supplier. The schedule indicates by customer class, request for proposal (RFP) issuance dates, indicative bid schedules, final bid due dates, regulatory filing dates, the dates by which the Commission must approve the filings, and the dates service is proposed to begin.

Unitil's default service solicitations are conducted pursuant to the process approved by the Commission in Orders No. 24,511 (Sept. 9, 2005) and 24,921 (Dec. 12, 2008), as modified by Order No. 25,397 (July 31, 2012). In Order No. 25,397, the Commission approved Unitil's proposal to modify its procurement process as follows: (1) the default service period for customers begins on June 1 and December 1 of each year; (2) for G1 (large commercial and industrial) customers, pricing is based on variable monthly prices and solicitations occur every 6 months; and (3) for Non-G1 (residential, small commercial and outdoor lighting) customers, solicitations occur every 6 months. In addition, for Non-G1 customers, the load is separately acquired for the residential customer group and the small commercial and outdoor lighting customer group. The resulting rates for both the residential customer group and the small commercial and outdoor lighting customer group are fixed monthly rates for the six-month energy service period.

For G1 customers, Unitil solicits variable pricing that passes through energy costs in the form of real-time locational market prices (LMP) for the New Hampshire Load Zone. Respondents are asked to bid fixed adders to the LMP that would cover all other costs of supplying power, including a margin of return.

On March 1, 2016, Unitil issued the RFP for default service power supply for the six-month period beginning June 1, 2016. The RFP requests bids for 100% of its power supply requirements for this period in three separate blocks: one for G1 customers, one for the small commercial and outdoor lighting customers, and one for residential customers. Unitil will issue the second RFP on August 30, 2016, with the associated regulatory filing to take place on September 30, 2016.

The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at www.puc.nh.gov.

The filing raises, inter alia, issues related to whether the resulting rates are just and reasonable as required by RSA 378:5 and 7, and whether UES procures default service power supply consistent with the principles of the electric utility restructuring statute (RSA 374-F:3, V(c)-(e)) and Order No. 24,511, Order No. 24,921 and Order No. 25,397. Each party has the right to have an attorney represent the party at the party's own expense.

Based upon the foregoing, it is hereby

ORDERED, that a Hearing, pursuant to N.H. Code Admin. Rules Puc 203.12, be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on April 6, 2016 at 1:30 p.m.; and it is

FURTHER ORDERED, that pursuant to N.H. Code Admin. Rules Puc 203.12, Unitil shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice no later than March 16, 2016, in a newspaper with general circulation in those portions of the state in which operations are conducted, publication to be documented by affidavit filed with the Commission on or before April 1, 2016; and it is

FURTHER ORDERED, that consistent with N.H. Code Admin. Rules Puc 203.17 and Puc 203.02, any party seeking to intervene in the proceeding shall submit to the Commission seven copies of a Petition to Intervene with copies sent to Unitil and the Office of the Consumer Advocate on or before April 1, 2016, such Petition stating the facts demonstrating how its rights, duties, privileges, immunities or other substantial interest may be affected by the proceeding, as required by N.H. Code Admin. Rule Puc 203.17 and RSA 541-A:32,I(b); and it is

FURTHER ORDERED, that any party objecting to a Petition to Intervene make said Objection on or before April 6, 2016.

By order of the Public Utilities Commission of New Hampshire this fourth day of March, 2016.
