Re: Docket No. DE 16-366
Public Service Company of New Hampshire d/b/a Eversource Energy
Electric Delivery Service Tariff No. 9 - Substitute Page

Dear Director Howland:

On March 24, 2016 and pursuant to Puc 1603.05(a), Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") filed a proposed new tariff, Electric Delivery Service Tariff No. 9, to reflect the use of the Eversource trade name throughout the document. Eversource had requested that the new tariff be effective on May 1, 2016. On April 15, 2016 the Commission Staff filed a recommendation recommending that the new tariff be permitted to take effect on May 1, 2016 as proposed.

On April 15, 2016 in Docket No. DE 11-216, Eversource filed its monthly compliance filing of Page 96-A to its existing tariff to update its Alternate Default Energy Service Rate, Rate ADE, for effect on May 1. The tariff page in Eversource's March 24 filing in this docket did not include the May 1 update. To update that tariff page, Eversource herein includes an updated tariff page relating to Rate ADE for effect on May 1. Due to the renumbering that accompanied the proposed tariff, the enclosed page is Page 91 and Eversource requests that this page be substituted for the Page 91 as submitted on March 24.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum
