Enclosure cc: Service List Docket File Settlement Agreement and approved by the Commission in Order No. 25,920 (July 1, 2016) in Docket Nos. DE 11-250 and DE 14-238. The SCRC is assessed on all Eversource customers pursuant to RSA 374-F:3, XII (d).

II. PROCEDURAL HISTORY

With its petition in June, Eversource filed supporting testimony and related exhibits along with a motion for confidential treatment of certain information. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, are posted to the Commission's website at http://www.puc.nh.gov/Regulatory/Docketbk/2016/16-693.html

On July 1, 2016, the Office of Consumer Advocate (OCA) filed notice of its participation on behalf of residential ratepayers pursuant to RSA 363:28. Several other entities sought intervenor status. They included the State Office of Energy and Planning (OEP), the Conservation Law Foundation (CLF), the New England Power Generators Association (NEPGA), NextEra Energy Resources, LLC (NextEra), the New England Ratepayers Association (NERA), and the Society for the Protection of New Hampshire Forests (Forest Society). Eversource filed timely objections to the motions to intervene in November 2016.

The Commission issued an Order of Notice on October 25, 2016, indicating that, among other matters, it would consider whether Eversource's PPA proposal would be lawful in light of the Commission's ruling in Docket No. DE 16-241, Order No. 25,950 (October 6, 2016), *appeal docketed*, No. 2017-0007 (N.H. Sup. Ct. February 15, 2017). In that ruling, the Commission dismissed an Eversource petition to acquire gas capacity for resale to electric generators as violating the Restructuring Principles of RSA Chapter 374-F.
