Dear Dir. Howland:

I oppose the use of
fracked gas and do not
wish it to be piped through
Hemlock and Leavenworth

Re: Liberty Utilities DG 16-852

Dear Dir. Howland:

WHPUC 27JUN17am11:44

Please do not allow for further
degradation of the Upper Valley through
increased energy infrastructure, especially
pipelines and traffic associated with
fracked gas. It's our last chance in the
next few years to stop harming the area
and the globe. No pipeline!
