Re: DG 17-022, City of Concord Petition to Establish Oversight Protocols for Concord Steam Corporation's Abandonment of Manholes and Pipes and for Payment of Damage Costs

To the Parties:

On June 27, 2017, the Commission issued a secretarial letter indicating its readiness to dismiss the City of Concord's petition based on the appearance that the City's justifications for the petition had been rendered moot. The Commission permitted the City ten days in which to file comments before the Commission determined whether to dismiss the City's petition. The City did not file comments. The Commission consequently found that the City's justifications for the petition are moot and dismissed the petition.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland
