**RE: DE 17-113, Public Service Company of New Hampshire d/b/a Eversource Energy,
Petition for Approval of Energy Service Supply Proposal**

Dear Ms. Howland:

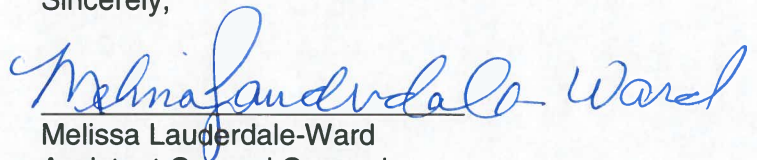

Please find enclosed for filing the original and seven (7) copies of the Petition to Intervene of Exelon Generation Company, LLC, Notice of Appearances of Counsel for Exelon Generation Company, LLC and accompanying Certificates of Service.

I have included an extra copy so that a stamped and dated copy can be returned to me as confirmation of the filing. The filing and all attachments were electronically filed on July 31, 2017 with the New Hampshire Public Utilities Commission.

Exelon will be unable to attend the prehearing conference, however Exelon is generally supportive of the Eversource filing and will accept any schedule or other determinations reached at the prehearing conference. Additionally, Exelon has contacted the Public Utility Commission counsel and Eversource's counsel and they do not oppose the Exelon intervention.

Please do not hesitate to contact me with any questions regarding this filing.

Sincerely,

Melissa Lauderdale-Ward
