Re: DM 18-011 BKE Mechanical, Inc. d/b/a BKE Energy
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Mr. Lyons:

On January 31, 2018, BKE Mechanical, Inc. d/b/a BKE Energy (BKE Mechanical) submitted an application with the Commission to renew its registration as a provider of electric aggregation service. Staff reviewed the application and determined that it is complete.

Commission Staff filed a memorandum on February 5, 2018 recommending that the Executive Director issue an approval of BKE Mechanical's registration renewal application for a two-year term beginning on June 10, 2018, pursuant to N.H. Code Admin. Rules Puc 2003.06(e)(1).

The Executive Director has approved the application for registration renewal, effective as of June 10, 2018, under Puc 2003.06(e)(1). The renewed registration is for a term of two years and expires at the close of business on June 10, 2020. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before April 11, 2020.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at:
<http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Please note that, effective as of July 1, 2014, each registered electric load aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
