**RE: Docket No. DG 18-094: Petition for Authority to Operate as a Public
Utility in the Town of Epping
*Request for Change in Date of Technical Session***

Dear Director Howland:

As a result of a conflict that has only recently arisen, several of Northern Utilities' witnesses will be unavailable to attend the Technical Session in the above-referenced docket which has been scheduled for Tuesday, December 11, 2018. Accordingly, the Company requests that the Technical Session be rescheduled for Monday, December 10, 2018, starting at 10:00 a.m. Counsel for Commission Staff and the Office of Consumer Advocate have assented to this change of schedule. I have attempted to contact counsel for the Town of Epping regarding this request, but do not have a response at this time.

Please contact me directly if you have any questions or concerns regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Epler".
