Re: DM 18-095 Choose Energy, Inc.  
Application to Register as Provider of Natural Gas Aggregation Service

Dear Mr. Brodsky:

On June 5, 2018, Choose Energy, Inc. (Choose Energy) filed an application to register as a provider of natural gas aggregation service. Choose Energy's registration (DM 15-423) expired on October 27, 2017. Choose Energy stated that during the expired registration period it did not actively engage in natural gas marketing. On August 9, 2018, Choose Energy updated its application and clarified the circumstances of its failure to renew the registration on time. Staff reviewed the application and determined that it is complete.

The Commission approves your application effective as of September 13, 2018. The registration is for a term of 2 years and expires at the end of business on September 12, 2020. Pursuant to N.H. Code Admin. Rules Puc 3003.02(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before July 13, 2020.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 - Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:  
<http://www.puc.state.nh.us/Regulatory/Rules/PUC3000.pdf>.

Please note that, effective as of July 1, 2014, each registered natural gas aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".

Debra A. Howland  
Executive Director
