Following the prehearing conference, Staff, the Office of the Consumer Advocate, and representatives of Liberty Utilities and key project contractors met in a technical session to discuss the renewable natural gas contract proposed in Liberty's petition. Participants developed the following proposed schedule for the docket proceeding:

1/25/19	Liberty Responses to Discovery Due
2/1/19	Technical Session

3/1/19	Discovery Requests on Staff/OCA Testimony Served

There have been no interventions in the docket and no party has objected to the proposed schedule. On behalf of the parties to this docket, Staff respectfully requests that the Commission approve the procedural schedule proposed above.

Staff also notes that discussion was conducted during the technical session with respect to Liberty's pending motion for confidential treatment of certain information in its petition. Staff raised a question regarding the confidentiality of landfill output data. Liberty agreed to look into that issue and revise its motion, as appropriate.

Sincerely,

Lynn Fabrizio, Esq.
Staff Attorney
