**SUBJECT:** DM 19-010, Ambit Northeast, LLC  
Renewal of Registration as Competitive Electric Power Supplier  
**TO:** Debra Howland, Executive Director

Executive Summary

Ambit Northeast, LLC has applied to renew its registration as a competitive electric power supplier. Ambit's current registration expires on March 12, 2019. Ambit submitted certificates demonstrating it has completed EDI testing with Eversource, Liberty, NHEC, and Unitil and a surety bond with a three-year term. Staff recommends that Ambit's registration renewal application be approved, pursuant to N.H. Code Admin. Rules Puc 2003.02(c)(1), for service in the franchise areas of Eversource, Liberty, NHEC, and Unitil for a renewal registration term of three years.

Background and Analysis

On January 11, 2019, Ambit Northeast, LLC (Ambit) filed an application to renew its registration as a competitive electric power supplier (CEPS). Ambit's currently-active registration, which the Commission approved in Docket DM 14-005, expires on March 11, 2019. Ambit's application included a certificate demonstrating that it has completed electronic data interchange (EDI) testing with Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource). On January 15, 2019, Ambit filed a surety bond in the amount of \$500,000 which names the Commission as obligee, becomes effective on March 11, 2019, and may not be terminated prior to March 11, 2022. Ambit filed, on February 7, 2019, revised residential and small commercial customer contract forms and, on February 11, 2019, certificates demonstrating that it has completed electronic data interchange (EDI) testing with Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities (Liberty), New Hampshire Electric Cooperative, Inc. (NHEC), and Unitil Energy Systems, Inc. (Unitil).

Staff has reviewed the information in the application and believes it meets the requirements of Puc 2003 and Puc 2006.01. Staff therefore recommends that Ambit's registration renewal application be approved, pursuant to Puc 2003.02(c)(1), for a registration period of (3) years, beginning on the expiration date of the currently active registration, March 12, 2019, and ending at the close of business on March 11, 2022, with Ambit permitted to serve residential and small commercial customers and operate in the

service areas of Eversource, Liberty, NHEC, and Unitil.

Staff further recommends that Ambit be informed that, pursuant to Puc 2003.03(e), if a CEPS's financial security instrument will not be renewed or extended beyond its expiration date, it must (1) provide written notice to the Commission of such non-renewal or non-extension no less than 60 days prior to the expiration date, and (2) file with the Executive Director a replacement financial security instrument meeting the requirements of the rules no less than 30 days prior to the expiration date, and that, under Puc 2003.03(f), a CEPS that fails to comply with the requirement to file a replacement financial security instrument is subject to fines, suspension, or revocation pursuant to Puc 2005.
