**FROM:** *CL*  
Corrine Lemay, Management Analyst

**SUBJECT:** DM 19-085, Infinity Power Partners, LLC  
Application to Renew Registration as a Provider of Natural Gas  
Aggregation Service  
**Staff Recommendation**

**TO:** Debra Howland, Executive Director

On April 26, 2019, Infinity Power Partners, LLC (Infinity) filed an application to renew its registration as a provider of natural gas aggregation service. On May 20, 2019, Infinity submitted a revised response that they do not have a list of CNGS's in New Hampshire that they intend to provide service as well as a statement that they are not representing any supplier interest. Infinity's currently-effective registration expires on August 17, 2019.

Commission Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff recommends that Infinity's application to renew its registration as a provider of natural gas aggregation service be approved, effective as of August 17, 2019, for a term of 5 years.
