Docket No. DW 19-091

Petition for Arbitration

TOWN OF HUDSON'S LIST OF WITNESSES

NOW COMES the Town of Hudson, by and through its attorneys, Tarbell & Brodich, P.A., and respectfully submits the within List of Witnesses as requested by the Secretarial Letter dated November 22, 2019, and in support thereof states as follows:

Witnesses

The Town of Hudson anticipates only requiring a single witness, Stephen A. Malizia, Town Administrator. Mr. Malizia would be expected to testify regarding all factual matters set forth in the Town of Hudson's Memorandum, Rebuttal Memorandum, and Statement of Agreed Upon and Contested Facts.

Conduct of Arbitration Hearing

Undersigned counsel was of the impression based on discussions between Staff and opposing counsel at the Technical Sessions that the hearing would not be conducted as a formal evidentiary hearing. Counsel for the Town of Hudson submits that the hearing before the Commission can be conducted primarily by way of "offers of proof" by counsel for the parties, together with appropriate legal argument, and questions and answers from the Commission. Counsel for the Town of Hudson submits that the parties will have their witnesses in attendance should the need arise for the Commission to hear directly from the witnesses regarding particular

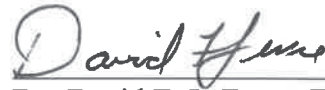

matters which the Commission may deem necessary. Otherwise, the hearing should be conducted by way of offers of proof in the spirit of efficiency.

Time Requested

If the hearing is conducted by way of offers of proof, undersigned counsel submits ½ day or three (3) hours, or less, should be sufficient for both sides.

Respectfully submitted,
Town of Hudson,
By and through its attorneys,
TARBELL & BRODICH, P.A.
