RE: Order DG-20-013 Residential Low Income Assistance Program for Natural Gas Customers, Consideration of program design

Dear Ms. Howland:

The New Hampshire Community Action Agencies (NHCAA) respectfully requests the Commission's approval to become an intervenor in the above referenced case.

The NHCAs have an interest in this proceeding because we are an anti-poverty agency and many of our participants are low income and participate in the current natural gas discount programs.

Thank you for the opportunity to be a party to this important review of program design.

This communication is being transmitted electronically and six (6) hard copies will be mailed.

Sincerely,

Jeanne Agri
Executive Director
