Dear Chairman Goldner:

Re: Docket No. DG 22-057; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty-Keene Division, December 2022 Monthly Cost of Gas Adjustment Correction

On November 23, 2022, Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty-Keene Division (the "Company") submitted a December 2022 monthly cost of gas adjustment in accordance with New Hampshire Public Utilities Commission (the "Commission") Order No. 26,716 dated October 31, 2022, in Docket No. DG 22-057. Clean and redlined tariff pages were enclosed. On November 30, 2022, the Commission issued Order No. 26,737 in both Docket Nos. DG 22-045 and DG 22-057. In that order, the Commission required the Company to remove "the changes to Liberty's Keene Summer 2023 rates, which were not established by Order No. 26,716."

Included with this letter is the clean and redlined replacement tariff page 88 (Twentieth Revised). It has been updated to reference the latest Order No. 26,737 in the footer and display the last approved summer rates for October 1 through October 31, 2022. This revised tariff page supersedes the replacement page 88 (Nineteenth Revised) submitted on December 15, 2022, in effect for November 1, 2022.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/ Craig A. Holden
