VIA ELECTRONIC FILING

Daniel Goldner, Chairman
New Hampshire Public Utilities Commission
21 S. Fruit Street, Suite 10
Concord, NH 03301-2429

RE: Unitil Energy Systems, Inc.
Tariff Filing: Light Emitting Diode (“LED”) Outdoor Lighting Service
Docket No. DE 22-

Chairman Goldner:

On behalf of Unitil Energy Systems, Inc. (“UES” or the “Company”), I enclose proposed changes to Schedule LED (renamed to Schedule LED-1) and a new tariff, Schedule LED-2, in accordance with the Settlement Agreement (the “Settlement”) approved, in part, on May 3, 2022 in DE 21-030 (UES’ 2021 Rate Case). In Section 6.7.1, the Settlement states that:

Within six months of the Commission’s approval of this Settlement Agreement, Unitil shall file a new or revised LED Outdoor Lighting Service tariff, which will align more closely with Liberty Utilities LED-2 and Eversource’s EOL tariff rate to allow options for municipalities to install advanced lighting controls and to allow municipalities to own and maintain lighting fixtures.

UES is proposing the following tariffs for effect August 1, 2023:

- Pages 63-C through 63-K, Schedule LED-1
- Pages 63-L through 63-U, Schedule LED-2

In support of the tariff changes, the filing includes the Direct Testimony of Karen M. Asbury. Redline tariffs are provided as Schedules KMA-1 and KMA-2. Thank you for your consideration of this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Taylor".

Patrick H. Taylor
Attorney for Unitil Energy Systems, Inc.
