

**THE STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

DT 09-113

SUPPLEMENTAL ORDER OF NOTICE

On June 10, 2009, Northern New England Telephone Operations, LLC d/b/a FairPoint Communications-NNE (FairPoint) filed with the Commission a petition for waiver of the payment requirements of the Performance Assurance Plan (PAP), or modification thereto, which was made applicable to FairPoint pursuant to Verizon New England, Order No. 24,823 in Docket No. DT 07-011 (February 25, 2008), approving Verizon New England's transfer of assets to FairPoint. Specifically, FairPoint requested relief from the payment of PAP bill credits to competitive local exchange carrier (CLEC) customers for the months of March through June 2009. On July 30, 2009, the Commission issued an Order of Notice in this docket scheduling a prehearing conference on August 13, 2009.

On August 7, 2009, FairPoint filed a supplement to the petition for its waiver request. Rather than the relief requested in the June 10 petition, FairPoint, in its supplemental filing, requested a modification to the PAP to reduce the total dollars at risk by approximately 65 percent, to \$29.96 million across the Northern New England states, effective as of January 1, 2009.

The August 13, 2009 prehearing conference was held as scheduled with General Counsel F. Anne Ross presiding. Following a technical session among the Parties and Staff, on August 14, 2009, Staff filed a report in which it recommended the Commission issue a supplemental order of notice on FairPoint's updated petition, decide the matter on the papers unless a request for a hearing is filed and approve the agreed upon a proposed procedural schedule, as follows:

FairPoint to file supplemental information and materials	August 18, 2009
Deadline for petitions to intervene and requests to adjust procedural schedule	August 24, 2009
Data Requests due	August 25, 2009
Responses to Data Requests due	September 1, 2009
Prehearing Conference and Technical Session	September 3, 2009 at 1:30 p.m.
Briefs due (with affidavits, if necessary)	September 22, 2009
Reply Briefs due	September 29, 2009

The supplemental filing raises, inter alia, issues related to RSA 365:28 and whether a modification of the PAP, reducing the total dollars at risk, is appropriate and reasonable. Each party has the right to have an attorney represent them at their own expense.

Based upon the foregoing, it is hereby

ORDERED, that the proposed procedural schedule is approved unless otherwise ordered; and it is

FURTHER ORDERED, that a Prehearing Conference, pursuant to N.H. Admin. Rules Puc 203.15, be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on September 3, 2009 at 1:30 p.m., at which each party will provide a preliminary statement of its position with regard to FairPoint's August 8, 2009 supplemental filing and any of the issues set forth in N.H. Admin. Rule Puc 203.15 shall be considered; and it is

FURTHER ORDERED, that, immediately following the Prehearing Conference, FairPoint, the Staff of the Commission and any Intervenors hold a Technical Session for discovery purposes and to adjust the procedural schedule if requests are received from additional intervenors, and it is

FURTHER ORDERED, that pursuant to N.H. Admin. Rules Puc 203.12, FairPoint shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice no later than August 19, 2009, in a newspaper with general circulation in those portions of the state in which operations are conducted, publication to be documented by affidavit filed with the Commission on or before August 27, 2009; and it is

FURTHER ORDERED, that pursuant to N.H. Admin. Rules Puc 203.17, any party seeking to intervene in the proceeding shall submit to the Commission seven copies of a Petition to Intervene with copies sent to FairPoint and the Office of the Consumer Advocate on or before August 24, 2009, such Petition stating the facts demonstrating how its rights, duties, privileges, immunities or other substantial interest may be affected by the proceeding, as required by N.H. Admin. Rule Puc 203.17 and RSA 541-A:32,I(b); and it is

FURTHER ORDERED, that any party who has moved to intervene may submit data requests consistent with the approved procedural schedule; and it is

FURTHER ORDERED, that any party objecting to a Petition to Intervene make said Objection on or before August 27, 2009.

By order of the Public Utilities Commission of New Hampshire this fourteenth day of August, 2009.
