Re: DT 07-011, Verizon New Hampshire
Transfer of Assets to FairPoint Communications, Inc.
Extension of Time

To the Parties:

On July 31, 2009 Staff filed a request to extend the time to submit a report and recommendations following the July 28 and July 30, 2009 technical sessions conducted in the above referenced matter. According to Staff's request, there are certain documents required by Staff to prepare their report that are currently unavailable including, among other things, a transcript of the technical sessions. Staff requests that the deadline for filing its report be extended from August 7, 2009 to August 21, 2009.

The Commission has determined that Staff has demonstrated good cause for extending the deadline to file its report and recommendations. Accordingly, Staff should file its report of the technical session and any recommendations for further action by August 21, 2009, and other parties are invited to do the same.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
