Re: DT 09-195, FairPoint Communications
Miscellaneous Network Services - Tariff Revision

Dear Mr. Shea:

On October 13, 2009, Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (FairPoint) submitted a tariff filing to revise the Additional Copies of Bills and Reports available to customers in its NHPUC Tariff No. 84.

The purpose of the revision is to remove the non-recurring charge per diskette, magnetic tape, and magnetic cartridge and adds a Bill Data Tape option at no charge.

Staff recommended the tariff go into effect by operation of law. The Commission accepted Staff's recommendation.

For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions are effective as filed.

Tariff pages should be filed referencing Docket No. DT 09-195 and reflecting the effective date of November 12, 2009.

Sincerely,

A handwritten signature in blue ink that reads "Debra Howland".

Debra Howland
Executive Director
