

QUESTIONS AND ANSWERS
ENERGY EFFICIENCY FUND RFP 2014-004
DECEMBER 10, 2014

	Question	Answer
3.	Does the anticipated \$1.2 Million dollars over a (3) year period include funds for both customer incentives and Program Administration?	Yes, the anticipated available funding amount of \$1.2 million stated on page 1 of the RFP represents the total amount of anticipated available funds. Therefore, this amount would need to cover all proposed elements of any program proposal unless outside or leveraged funding was included in the proposal.
